## Several important changes to MPS meal services are starting this fall.

**IMPORTANT!**  
Changes to MPS meal services are coming this fall!

**School lunches will no longer be no-cost for all students in the 2022-23 school year.**

• Learn your PIN! PINs will be needed for every student, every meal.

Last year the federal government allowed schools to offer free lunches to all MPS students. Congress did not extend this benefit for the upcoming school year. Universal breakfast will still be available to all students at no cost.

### Help your student learn their PIN!

PINS will need to be entered by every student, every meal. The meal PIN number is the same as the school identification number. Student ID's can be found in the parent portal. If you do not know your student's ID number, please email [info.cws@mpls.k12.mn.us](mailto:info.cws@mpls.k12.mn.us) or contact the secretary at your student's school.

### Application for Educational Benefits

All families with children enrolled in the Minneapolis Public Schools district should complete an Application for Educational Benefits each year. Information from completed applications is used to determine millions of dollars in benefits for MPS students, families, schools, and communities. The application can be completed now online, at [cws.mpls.k12.mn.us/application](http://cws.mpls.k12.mn.us/application)
