

# FIND THE *Rainbow*

## Walk & Bike Scavenger Hunt with Street Signs

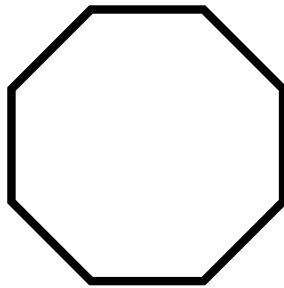

Street signs are there to keep us safe and to provide information on our route.

*Can you find each color of the rainbow?*

Color and draw the information you find for each sign below on your scavenger hunt.

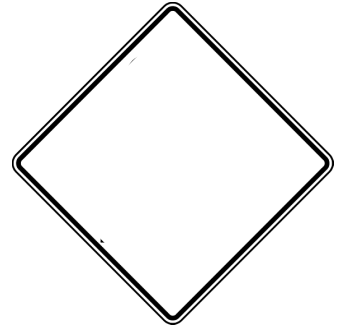

### RED

Tells you to stop, yield, or not do something

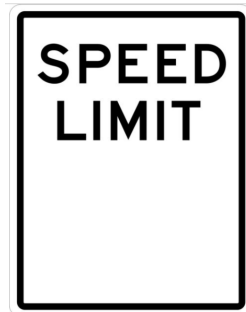

### Orange

Used for warning around construction zones

### WHITE

Tells you the road rules (like speed)

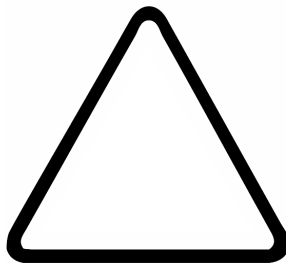

### Blue

Used for services and tourist information

### Yellow

Gives you general warnings

### Brown

Directs you to public recreation or history areas

### Green

Tells you about things you are allowed to do or where to go
