

# FARM to SCHOOL

Did you know that Minneapolis Public Schools partners with local farms to buy healthy, fresh produce for our students? Here are some of the Farm to School items that we serve in our school meals. Farmers grow and harvest these crops specifically for MPS students.

Color the produce below and give thanks to the farmers who grow our food!

cucumber

beet

delicata squash

purple daikon radish

bell pepper

apple

rutabaga

kohlrabi

butternut squash

tomato

zucchini

radish

brussels sprouts
